I. INTRODUCTION AND SUBMITTAL OF APPLICATION

Section 4301.82 of the Ohio Revised Code (ORC) authorizes, effective April 30, 2017, municipalities over 35,000 in population to create a Designated Outdoor Refreshment Area or "DORA." In order to consider creation of a DORA, the Executive Officer of the City of Findlay must file an application with the Findlay City Council (City Council), which meets certain statutory requirements. The application filing must be advertised for two consecutive weeks in a newspaper of general circulation. Not earlier than 30 days, but not later than 60 days, after the initial publication of the notice, the City Council may approve or disapprove of the application by ordinance or resolution.

In summary, this application would provide the following:

- A. The DORA would ease or make more accessible outdoor dining in front of liquor permit holding establishments. It would allow such establishments to serve alcoholic beverages in a plastic cup pursuant to the law within a designated area during certain hours. Creation of the DORA would relieve these establishments of current requirements for fencing around a dining area. Signage, sanitation and safety requirements would be established by the City.
- B. The DORA would provide the ability for individuals to walk within the DORA boundaries with an alcoholic beverage purchased from a liquor permit holding establishment during permitted hours. This authority would be limited to the hours of 11:00AM to 11:00PM seven days per week.

II. BOUNDARIES

In accordance with **O.R.C. 4301.82(B)(l)(b)**, the boundaries of the DORA are depicted on the following map and described as follows. A list of the street addresses within the DORA are also attached.

Designated Outdoor Refreshment Area (DORA)

The proposed boundary is consistent with the boundaries of the Downtown Findlay Improvement District and encompasses an area of approximately 95 acres. The proposed boundary extends between Front Street and Lima Street in the north/south direction and extends between Hurd Avenue and East Street in the east/west direction.

V. LAND USE & ZONING

In accordance with O.R.C. 4301.82(B)(4), the uses of land within the current and future DORA are zoned C-3 Downtown Business District and are in accordance with the City of Findlay's land use plan.

VI. PUBLIC HEALTH & SAFETY

In accordance with **O.R.C. 4301.82(B)(5)**, the proposed requirements for the purpose of ensuring public health and safety within the DORA shall include:

Outdoor Dining in Right of Way:

Qualifying permit holders that desire to sell alcoholic beverages as part of providing an outdoor dining area in the City of Findlay's right of way (adjacent to the establishment), must obtain a Sidewalk Cafe permit and meet the requirements of the Codified Ordinances for right of way use. These policies will require the qualifying permit holder to submit a sanitation plan, and the physical layout of the tables, chairs and other facilities to among other things comply with ADA requirements. It is anticipated that busing of tables will be required and/or adequate trash cans be in place. Additionally, the permit review will ensure that there are adequate pedestrian passageways and that ingress/egress for emergency services is adequate. Failure to comply with the requirements of the permit can result in revocation.

Special Events:

The City of Findlay requires that each special event using City property receive a permit from the City. As is the City's practice, each event will be reviewed as required in the Codified Ordinances of the City of Findlay.

City of Findlay DORA Safety Plan:

The Safety Plan will help maintain public safety within the DORA, and designate the number of personnel needed to execute the Safety Plan. This will be accomplished in the following manner.

Current Public Safety personnel are adequate to maintain public safety within the DORA district. The City of Findlay Police Department (FPD) currently has multiple overlapping shifts which will enable it to maintain public safety within the DORA district.

FPD has flexibility when deploying resources and has years of experience dealing with all of the downtown events such as Boogie on Main, Oktoberfest, Arts & Music Festivals and other individual bar events which draw large crowds throughout the year.

Staffing for the DORA would consist of:

1. Utilizes the current scheduled overlapping shifts of 7:30am-5:30pm, 4:00pm-2:00am, and 11:00pm-8:00am. These shifts give the ability to actively patrol the DORA and have a visible presence in the assigned area.

- 2. During pre-planned or known special events that will increase the activity in the DORA area the FPD will seek organizations involved with the events to help supplement the manning needed to effectively police the DORA area. FPD will seek payment from such organizations for extra duty officer(s) as needed. The officer(s) primary responsibility would be the downtown core business district and main street district where the DORA is located.
- 3. All supervisors or OIC's (Officer's in Charge) have the flexibility to call in additional manning for emergency situations or if large crowds start to get out of control.

Review and Dissolution of a DORA

Beginning with the commencement of the DORA and continuing for a period of six (6) consecutive months, the Mayor and/or Safety Director of the City of Findlay and the Chief of Police of the City of Findlay shall meet monthly to review the Safety Plan herein. The purpose of this meeting will be to determine whether updates, modifications or supplementation may be advisable or required, and in said event, such changes shall be presented to Council for consideration and implementation.

The Mayor and/or Safety Director of the City of Findlay and the Chief of Police of the City of Findlay shall meet and review the Safety Plan as needed for any special events within the DORA or as other circumstances may require or arise.

The Mayor and/or Safety Director of the City of Findlay and the Chief of Police of the City of Findlay have determined that the Safety Plan described herein is sufficient to maintain public safety within the DORA. This Safety Plan can be executed with the existing personnel of the City of Findlay.

The Findlay City Council in accordance with Ohio DORA requirements will review the operation of the DORA every five years as long as the DORA is in operation.

As part of the review, Council must adopt an ordinance or resolution either approving the DORA's continued operation or dissolving it. Prior to adopting the ordinance or resolution, Council must give notice of the proposed action by publication once a week for two consecutive weeks in a newspaper of general circulation in the Municipal Corporation.

Additionally, by ordinance or resolution <u>at any time</u>, the Findlay City Council may, dissolve all or part of the DORA. It must give notice of the proposed dissolution by publication once a week for two consecutive weeks in a newspaper of general circulation in the Municipal Corporation. Once a DORA or portion of it is dissolved, the area that is the subject of the ordinance or resolution no longer constitutes a DORA. The Municipal Corporation must provide notice of its actions to the Division of Liquor Control and the Investigative Unit of the Department of Public Safety. Upon receipt of the notice, the Division must revoke all DORA designations issued to establishments within the dissolved area.
