

Agenda

OLD BUSINESS

1. Request of Michelle Komyanek, 734 Third Street, for speed limit sign and/or no thru traffic sign to help limit speed of traffic and unnecessary truck traffic.

6/21/2021

Discussion ensued regarding the actual amount of traffic that travels on Leisure Avenue. Chief Eberle suggested that we place traffic counters out on Leisure Avenue to determine actual number of vehicles and the rate of speed of vehicles traveling on Leisure Avenue.

Motion to table request until results come back from traffic counts, by Kalb, second by Chief Ring. Motion passed 5-0.

NEW BUSINESS

1. Request of Police Department to add speed limit signs on Summit Street between Stadium Drive and Lima Avenue.

Kathy,

The email below came to me through the Vice Narcotics Office. The complaint was in reference to speeders on Summit St. near Stadium Drive. Also reported was that there were no speed limit signs on that stretch of road. I went down and checked it out and to my surprise there are no speed limit signs between Lima Ave and Stadium Drive on Summit St. Can you put this concern on the agenda for July's meeting?

Thanks,

Chief Ring

Sgt. Dill,

The Chief sits on that board and I will pass it along to him.

Thank you,

Capt.,

Do you or one of the other admins still sit in on the traffic commissions occasionally??

I just fielded a call from a resident on Summit St. regarding speeders.... Mostly the Marian Kouza and Raheem Glenn residence on Stadium Dr. They are traveling down Summit to get where they are going.

We are currently working a case on the residence, but the caller advised there are no speed signs on Summit. I haven't been down there in a bit and I find it highly unlikely that there aren't any signs. However, if it could be passed along to the commission, that would be me keeping my word to the caller.

Thanks.
