

Agenda

OLD BUSINESS

1. Request of Michelle Komyanek, 734 Third Street, for speed limit sign and/or no thru traffic sign to help limit speed of traffic and unnecessary truck traffic.

6/21/2021

Discussion ensued regarding the actual amount of traffic that travels on Leisure Avenue. Chief Eberle suggested that we place traffic counters out on Leisure Avenue to determine actual number of vehicles and the rate of speed of vehicles traveling on Leisure Avenue.

Motion to table request until results come back from traffic counts, by Kalb, second by Chief Ring. Motion passed 5-0.

7/19/2021

Item remains tabled.

NEW BUSINESS

1. Request of Mark Haas for a four-way stop at the intersection of Bristol Drive and Greendale Avenue to slow traffic on Greendale.
2. Request of Findlay-Hancock County Public Library to change three parking spaces in front of library on Broadway Street to Curbside Pickup Only during library hours and remove the 10-minute parking space(s).

Details of the Problem

Please describe details of your issue

I own a house on Greendale Ave. between Sutton Place and Bristol. The traffic is very fast between Londonderry and Sutton because it is a long stretch without a stop, almost all traffic exceeding the 25 mph speed limit. This is a concern because, as I'm sure you know, there are two schools in the area, St. Michaels and Wilson Vance. The expansion at Wilson Vance Elementary will of course

increase this car and bus traffic considerably. A stop sign at Bristol (where there is a school crossing for Wilson Vance) would slow the traffic considerably and increase the safety of both the children and residents of the area. What is necessary to get this done?

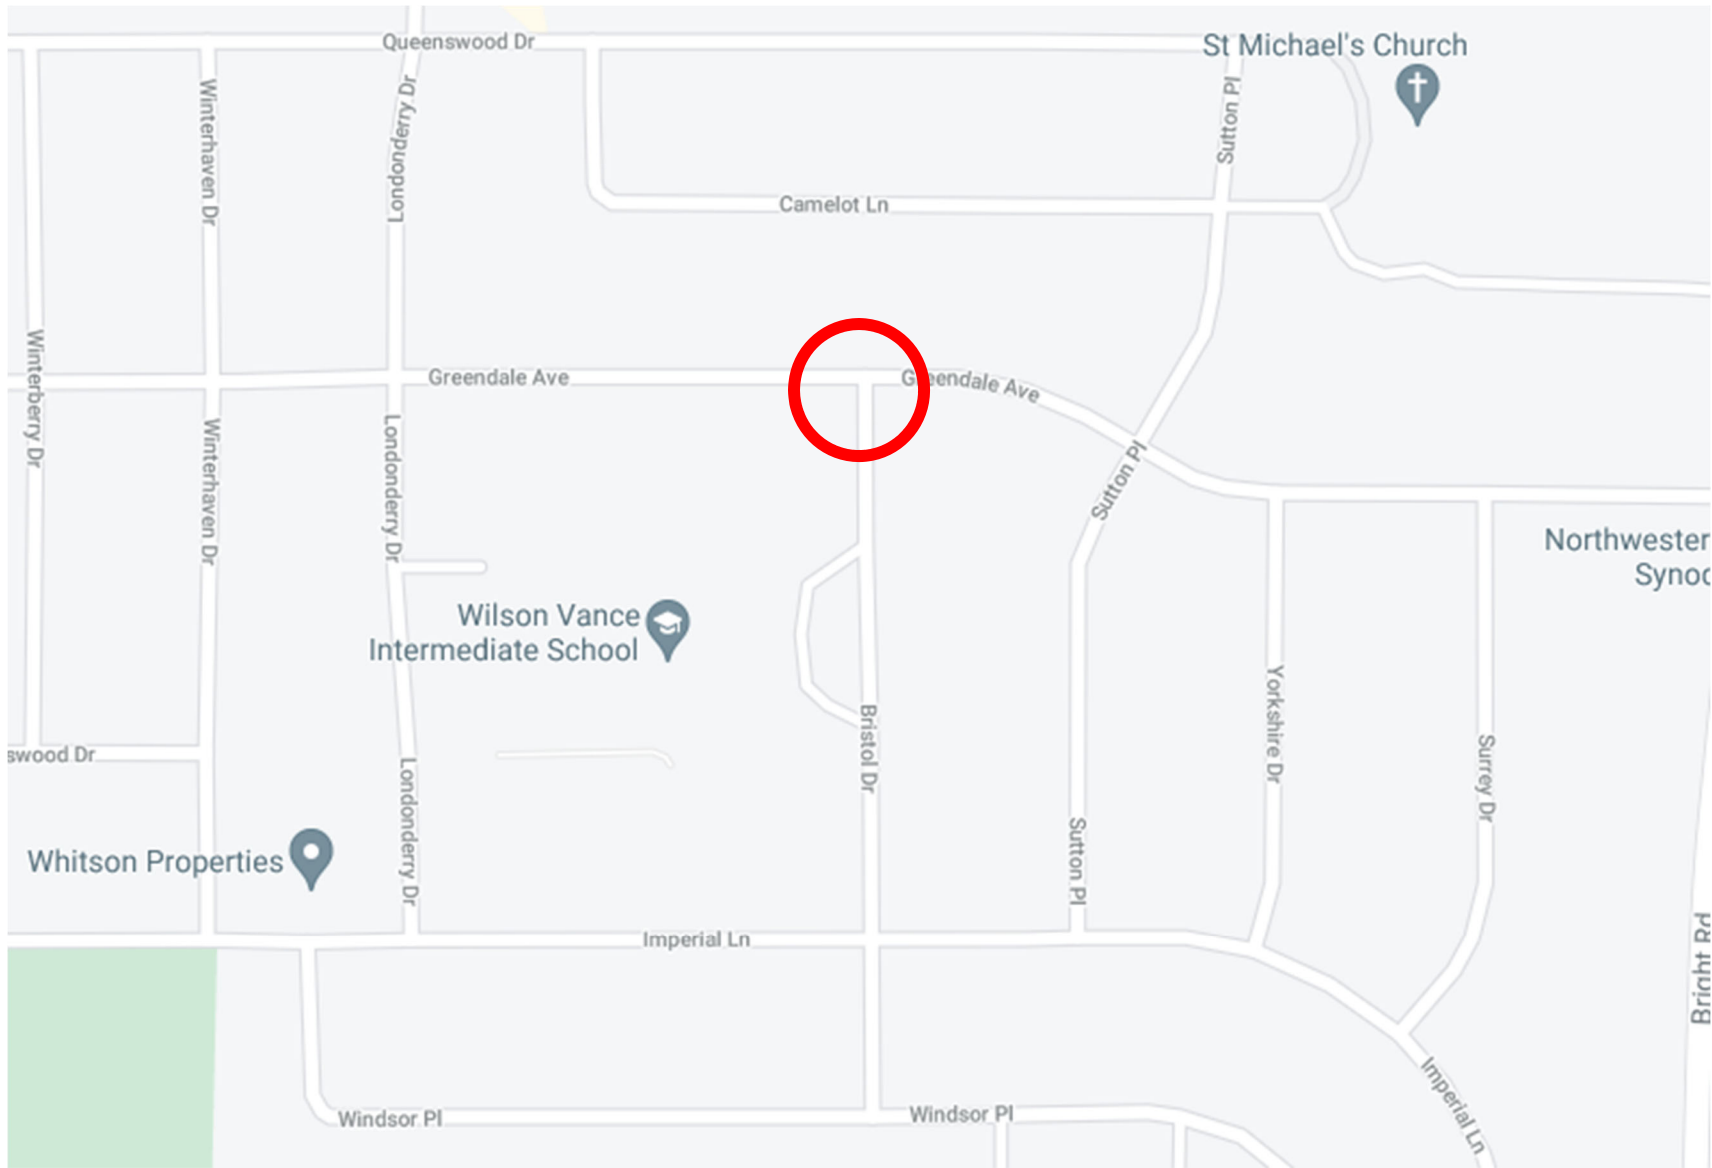

Location of problem

corner of Bristol and Greendale

Subject: [EXTERNAL]Curbside Parking and a Ten minute book drop parking sign

Security Checkpoint: External Email! Do not click on links or open attachments unless you trust the source and know the content is safe.

Hi Kathy—

I am sending an email to you to try to explain a parking situation that we have in front of the public library. We have three spaces on Broadway (directly in front of our front entry door) that have been reserved for curbside parking for those that wish to call and have their books/tapes brought out to them so that they don't have to come inside. Elderly patrons and families particularly like this procedure. We have three signs sitting out in front of the spaces letting our patrons know that they are saved for "curbside" only. A permit was issued last year during the summer I believe. It was originally meant to be temporary but it was so well received that our Admin and Board has included that into our 3 year plan.

The issue is this. There is a sign hanging on a light pole which is located directly in front of space number two. The sign states that this is meant for a 10 minute book drop space and we do not need that anymore. Patrons place books/tapes/cd's that they have taken out and now are returning to the library. There are approximately 3-40 other spaces available for them to park in. In the past year there has been no issue with this until last week when two patrons got into an argument about the parking space. Both were correct in what they were doing because of the 10 minute sign.

To resolve this issue we would like to remove the 10 minute parking sign and continue our curbside service to the other patrons. We have those spaces used all day during our open hours. Thank you for your consideration with this. If you have any questions, please contact me at the library email—mmartien@findlaylibrary.org or at my cell phone 419-957-1806.

Thank you again,
Mike Martien
