

## Agenda

### **NEW BUSINESS**

1. Request of Ken Miller, 430 W. Hardin Street, for a four-way stop in the alley intersection between W. Sandusky St. and W. Hardin St. and Liberty St. and Hurd Ave. due to visibility issues caused by a wooden fence on one of the corners.

I'm request that four way stop signs be put up on the alley that is east of Liberty St, between Sandusky Ave and W Hardin St. between the 300 and 400 block. This enter section has become a safety hazard due to the blind spots for traffic in all four directions, Included are pictures from all four ways. The biggest hazard is when east and north bound traffic enters the inter section and can not see the on coming car.
