RE: Ordinance No. 2016-042

Council adopted Ordinance No. 2016-034 during the April 5, 2016 City Council meeting which authorized an appropriation of funds. Ordinance No. 2016-042, that is before you tonight, authorizes the Service-Safety Director to enter into a contract with Helms & Sons Excavating to do the work.

Due to the urgency of the project, informal bids were requested from several local contractors with the lowest and best pricing was received from Helms & Sons Excavating, therefore, a contract with them is now needed.

Thank you for your consideration in this matter.

Very truly yours,

Donald J. Rasmussen
Director of Law
