Kathy,

Can we add this to the traffic commission meeting? If it's too late that is fine

Chief, Captain

Attached to this e-mail is the sign at the entrance of the W. Crawford St. lot. Trying to make a long story short, a guy came in and spoke to Sgt. Walters yesterday. He parked in this lot for over two hours as he thought the word "designated" was for the spaces marked reserved. He parked in a non-reserved space and thought he was ok. In looking at the sign, I can see how he could extrapolate the word "designated" for reserved.

Is there any way to get this sign changed to just say 2 hour limit?? Or something similar?? To avoid confusion.
