

Agenda

OLD BUSINESS

1. Request of The University of Findlay, 1000 North Main Street, for a pedestrian activated light across North Main Street from new admissions office to the campus.

03/21/2016

Item remains tabled.

2. Request for additional signals at Sandusky Street and Main Street.

03/21/2016

Item remains tabled.

3. Request of Tom Wohlgamuth to enact an ordinance restricting golf carts to only be able to travel on 25 mile per hour roads or less.

05/16/2016

Currently licensed golf carts can be on 35 MPH roads as long as it is not for a long period of time in the City of Findlay. Rasmussen stated that we should look at the power requirement of golf carts to see if they can go 35 MPH. The current ordinance is very ambiguous. It needs to be updated. A new Ohio traffic law allowing golf carts to travel on roads with a speed limit of 35 MPH or less will go into effect January 1, 2017. It is requested that the City enact a law only allowing golf carts on roads that are 25 MPH or less. Rasmussen will look into the new law and its requirements. Will continue discussion at next month's meeting.

06/20/2016

Item remains tabled.

NEW BUSINESS

1. Request of Tom DeMuth, Traffic Signal Department, to convert the 200 block of Washington Street from one-way to two-way.
2. Request of Erikka Hermiller for a speed limit sign and a "Children At Play" sign be placed between the 400-500 block of Monroe Avenue.
3. Request of Ashley King, 1704 Lima Avenue, for a "No Trucks" sign on Morrival Avenue off of Lima Avenue.

Subject: one way washington st

Commission Members,

I would like to request that the one way in the 200 block of Washington St be removed and made a two way street. The street is wide enough to accommodate parking on one side and two way traffic. I believe it was made one way because of the sight problem from the old bridge. The bridge was replaced several years ago and the sight problem no longer exists. Thank you for looking into this. 419 348 3170

Attention: Traffic Commission
7-7-2016

Requesting a "children at play" caution sign and speed limit sign be placed on Monroe Ave between 400-500 block. Many youth are frequently in the streets walking and riding bikes. Most of these children are under 10 years of age and not supervised. I have seen cars slamming on brakes to avoid them. Last year, a young boy hit a car with his bike coming out of the trailer park.

Thank you for your time and consideration,
Erikka Hermiller

Subject: Big semi concern down my road

Hello I was wondering about putting a no big semi truck sign on my road I live at 1704 Lima Ave Findlay Ohio. Big trucks come down morrical Ave and the other day a truck came down and ripped wires off my house and another one just went by and almost caught them again.
