

Shade Tree Commission Special Meeting Minutes

August 8, 2017

Attendees: Karl Farwig, Tom Mills, Jerry Williamson, Randy Greeno, Jeremy Kalb

Meeting was called to order by Chairperson Tom Mills at 4 pm.

Purpose of meeting was to review the proposed trees that were recommended by the City contract architect.

The recommended trees are:

Queen Elizabeth Maple

Commemoration Maple

Skycole (Skyline) Thornless Honeylocust

Accolade Elm

Emerald Vase Elm

It was decided that the 3 recommended Accolade Elm at Hardin and Main would stay in the plan to coordinate with Marathon's plantings.

It was decided StreetKeeper Honeylocust would replace the Skyline Honeylocust. Latin name *Gleditsia triacanthos Inermis 'Draves'*

The non-Hardin Street Accolade Elms will be replaced by the *Ulmus 'Patriot'* Elm.

The replacement trees allowed us to stay with height regulations.

It was also recommended the same trees be put in the same block making the same 4 trees planted at each block.

The meeting ended with no further business.

Next meeting is September 19, 2017.
