**PUBLIC HEARING MINUTES**

A Public Hearing was held on August 7, 2018 at 6:45PM in the Council Chambers, Municipal Building to consider the adoption of Ordinance No. 2018-067 to replace Chapter 1113.15 entitled Public Notice, Chapter 1137.04 entitled Lot Requirements, Chapter 1161.14 entitled Alternative Energy, and Chapter 1174 entitled Definitions, enacting new Chapter 1137.05 entitled Building Width, and renumbering Chapter 1137.05 entitled Applicable Chapters to now be Chapter 1137.06, all of the Codified Ordinances of the City of Findlay, Ohio as if fully rewritten.

President Monday asked if anyone wished to address Council.

Councilman Russel explained that there are three (3) parts to this ordinance: about notification requirements for items before the City Planning Committee; a zoning change for the setback requirements of buildings in downtown in C-3 Districts and also the definition of small wind turbines. It is the intent of Council to table that ordinance tonight because the notification for public consumption on it was not properly done.

President Monday adjourned the Public Hearing at 6:49 PM
