Mr. Paul Schmelzer  
City of Findlay

Dear Paul:

We have just received a list of the parcels from the County Auditor's office regarding the number of parcels located in the watershed along with mailing information that will be required for the proposed Petition of Howard Run.

Attached to this correspondence is the Petition and list of all of the parcel owners located in the watershed that will be affected by this petition. The County Commissioners will need the Petition signed and returned to the Commissioner's Office along with the list of Parcel Owners that is attached and a check for the required Bond in the amount of \$5,200.00. This sum represents the requirement specified in ORC 6131.06 of \$500 plus \$2.00 per parcel over 200 parcels. While we would like to waive this requirement, our office does not have authority to waive the Bond requirement on behalf of the County Commissioner's.

Feel free to contact me with any questions you may have regarding this issue.

Respectfully,

Douglas E. Cade, PE, PS  
County Engineer
