RE: City of Findlay RLF Board Report

My Fellow Council Members:

As the Findlay City Council representative to the City of Findlay RLF Board, I am submitting the below update on our boards most recent actions.

The City of Findlay RLF Board met on 06/10/2020 to review two applications for the new \$10,000 Findlay Business Catalyst Loan program. There was also a request for a microenterprise loan for \$35,000 for Modcraft LLC, which is a small microbrewery looking to move into where DiVine Wine was located.

Catalyst Loan applications were from:
Renz Salanga with Stix Restaurant
Fastsigns of Findlay (previously Signed by Josette, LLC)

All applications and requests were approved.

Please do not hesitate to contact me with any questions you may have related to this report or my representation on the RLF board.

Respectfully Submitted,

Beth Warnecke
Councilwoman Third Ward
